NOTICE OF VIOLATION

Released: August 1, 2013

By the District Director, Los Angeles Office, Western Region, Enforcement Bureau:

1. This is a Notice of Violation (Notice) issued pursuant to Section 1.89 of the Commission's rules (Rules),¹ to City of Bellflower, licensee of radio station WQKK350 in Bellflower, California. Pursuant to Section 1.89(a) of the Rules, issuance of this Notice does not preclude the Enforcement Bureau from further action if warranted, including issuing a Notice of Apparent Liability for Forfeiture for the violation(s) noted herein.²

2. On July 23, 2013, an agent of the Enforcement Bureau's Los Angeles Office monitored radio station WQKK350 located at 16600 Civic Center Drive, Bellflower, California and observed the following violations:

- a. 47 C.F.R. § 90.403(c): "Except for stations that have been granted exclusive channels under this part and that are classified as commercial mobile radio service providers pursuant to Part 20 of this chapter, each licensee must restrict all transmissions to the minimum practical transmission time and must employ an efficient operating procedure designed to maximize the utilization of the spectrum." At the time of the investigation, the agent observed that WQKK350 was transmitting on 461.9375 MHz nearly continuously.
- b. 47 C.F.R. § 90.403(e): "Licensees shall take reasonable precautions to avoid causing harmful interference. This includes monitoring the transmitting

frequency for communications in progress and such other measures as may be necessary to minimize the potential for causing interference.” At the time of the investigation, the agent monitored WQKK350 and observed a digitally modulated continuous signal on 461.9375 MHz, a frequency shared with other licensees in the Bellflower area. The agent observed no evidence of monitoring the transmitting frequency for communications in process or any other measures to avoid interference by WQKK350.

- c. 47 C.F.R. § 90.425(a): “Stations licensed under this part shall transmit identification in accordance with the following provisions: (a) *Identification procedure*. Except as provided for in paragraphs (d) and (e) of this section, each station or system shall be identified by the transmission of the assigned call sign during each transmission or exchange of transmissions, or once each 15 minutes (30 minutes in the Public Safety Pool) during periods of continuous operation. The call sign shall be transmitted by voice in the English language or by International Morse Code in accordance with paragraph (b) of this section. If the station is employing either analog or digital voice scrambling, or non-voice emission, transmission of the required identification shall be in the unscrambled mode using A3E, F3E or G3E emission, or International Morse, with all encoding disabled.” At the time of the monitoring, no identification of the station was observed.

3. Pursuant to Section 308(b) of the Communications Act of 1934, as amended,³ and Section 1.89 of the Rules, we seek additional information concerning the violations and any remedial actions taken. Therefore, City of Bellflower must submit a written statement concerning this matter within twenty (20) days of release of this Notice. The response (i) must fully explain each violation, including all relevant surrounding facts and circumstances, (ii) must contain a statement of the specific action(s) taken to correct each violation and preclude recurrence, and (iii) must include a time line for completion of any pending corrective action(s). The response must be complete in itself and must not be abbreviated by reference to other communications or answers to other notices.⁴

4. In accordance with Section 1.16 of the Rules, we direct City of Bellflower to support its response to this Notice with an affidavit or declaration under penalty of perjury, signed and dated by an authorized officer of City of Bellflower, with personal knowledge of the representations provided in City of Bellflower’s response, verifying the truth and accuracy of the information therein,⁵ and confirming that
